EXPERIENCE

Remita Payment Services Limited

June 2025 – till date

Customer Experience Manager / Operations Manager – Remita Connect

- ❖ Own and optimize the **end-to-end customer and agent journey** across on-boarding, transactions, settlements, and ongoing support for Remita Connect’s agency banking platform.
- ❖ **Lead and manage a cross-functional team of 9 customer support and operations professionals**, setting performance goals, monitoring KPIs, and ensuring consistent service quality.
- ❖ Define, track, and improve **CX performance metrics** including CSAT, NPS, CES, First Response Time (FRT), and Average Resolution Time (ART), First Contact Resolution (FCR), and SLA adherence.
- ❖ Provide daily operational oversight for high-volume fin-tech transactions, ensuring service reliability, accuracy, and a seamless customer experience across channels.
- ❖ Analyse customer feedback, ticket trends, and transaction data to identify friction points, perform root-cause analysis, and drive continuous experience improvements.
- ❖ Act as the senior escalation owner for complex customer, agent, and partner issues, ensuring timely resolution and clear stakeholder communication.
- ❖ Collaborate cross-functionally with Product, Engineering, Finance, Risk, and Compliance teams to translate customer insights into platform and process enhancements.
- ❖ Drive operational efficiency through workflow optimization, automation, and self-service enablement, reducing customer effort and overall support volume.
- ❖ Oversee reconciliation accuracy, exception handling, and operational reporting to protect revenue and maintain trust in customer transactions.
- ❖ Develop and maintain SOPs, knowledge bases, and operational playbooks to support scalable service delivery and consistent CX outcomes.

- ❖ Coach, mentor, and develop team members through regular feedback, training, and performance reviews, fostering a strong customer-centric culture.

Remita Payment Services Limited

Jan 2024 – June 2025

Customer Experience Lead – Agency banking

- ❖ Led end-to-end customer experience and daily operations for agency banking services, supporting 1,000+ transactions per day while maintaining high system availability and service reliability.
- ❖ Improved **Average Resolution Time by 45%** through SLA tracking, workflow optimization, and structured escalation management, positively impacting CSAT and First Contact Resolution (FCR).
- ❖ Implemented self-service and process improvements that reduced manual support requests by **50% within three months**, lowering customer effort (CES) and support workload.
- ❖ Oversaw reconciliation and operational reporting for **NGN 2B+ in monthly transaction volumes**, ensuring accuracy, transparency, and zero material errors.
- ❖ Identified and resolved transaction discrepancies and settlement issues, preventing estimated **NGN 20M in quarterly revenue leakage**.
- ❖ Supported audits and regulatory reviews by maintaining documentation aligned with data governance, risk, and fintech compliance standards.
- ❖ Introduced system and process controls that reduced manual intervention in flagged settlements by **60%**, improving operational efficiency and customer trust.

Access Bank Plc

Customer Experience Analyst / Credit Card Specialist (Contact Centre Operations) Dec 2021 – Dec 2023

- ❖ Managed end to end customer case handling via Zoho CRM, achieving 98 percent SLA adherence on high priority issues.
- ❖ Identified and escalated irregular credit card activities, reducing fraud and risk exposure by 25 percent.
- ❖ Improved audit performance through accurate CRM documentation and policy compliant customer responses.
- ❖ Supported customers with card disputes, transaction issues, and service inquiries while maintaining high satisfaction scores.

Outcess Solutions (FairMoney Limited)

Customer Relationship Officer

Aug 2021 – Dec 2021

- ❖ Handled over 200 daily customer interactions while supporting loan recovery and repayment follow ups, improving repayment compliance by 21 percent.
- ❖ Documented inquiries and escalated complex issues to internal teams for timely resolution.
- ❖ Prepared weekly operational reports on loan recovery progress, outstanding balances, and performance insights.
- ❖ Educated borrowers on loan terms and repayment schedules, improving customer understanding and compliance.
- ❖ Maintained detailed CRM records to ensure continuity, accountability, and accurate follow up.

Outcess Solutions (MultiChoice Nigeria)

Customer Service Executive

Dec 2020 – Aug 2021

- ❖ Delivered high quality customer support through in depth knowledge of MultiChoice products and subscription services.
- ❖ Captured and analysed customer feedback to identify service gaps and improvement opportunities.
- ❖ Logged and tracked customer interactions in CRM systems for reporting and trend analysis.
- ❖ Collaborated with internal teams to streamline ticket resolution, reducing backlog by 45 percent.
- ❖ Promoted relevant products and subscription upgrades during support interactions, increasing customer engagement.
