Education

Bachelor of Engineering (B.Eng)

Mechanical Engineering

Federal University of Technology, Minna – Niger State, Nigeria
Graduated 2025

Senior Secondary School Certificate (SSCE)

Eletu-Odibo High School, Yaba – Lagos, Nigeria
Graduated 2018

Experience

Presenter & Newscaster (Volunteer)

Search Media, FUTMINNA – Niger State
2022 – 2026

- Delivered live news broadcasts with clarity and professionalism, engaging diverse audiences.
- Researched and presented accurate news stories to ensure credibility and audience trust.
- Solved technical problems during broadcasts, ensuring smooth operations. Collaborated with team members to improve program quality.

Engineering Intern

Greatwall Nigeria Limited – Port Harcourt, Nigeria
Jul 2024 – Dec 2024

- Rotated across engineering departments to gain broad technical exposure in oil and gas operations.
- Trained in welding, priming, slickline and wireline operations.
- Learned power pack and well tools operation, supporting field engineers. Assisted in troubleshooting and maintaining equipment.
- Developed knowledge of industry standards and safety protocols.

Certification

SOCIETY OF PETROLEUM ENGINEERS, FUTMINNA CHAPTER Membership Committee Volunteer – 2024 Board Year

- Contributed to recruitment and engagement initiatives as part of the Membership Committee.
- Assisted in organizing chapter activities and strengthening student participation.
- Earned certification for volunteering service during the 2024 Board year.

ASPIRE LEADERS PROGRAM – LEADERSHIP CERTIFICATE

Issued Mar 30, 2022

- Gained practical knowledge in leadership, teamwork, and problem-solving.
- Learnt effective communication, decision-making, and leading with integrity.
