WORK EXPERIENCE

KOI CHAMBERS, BARRISTERS & SOLICITORS (ASSOCIATE)

March 2025 - Present

- Supported regulatory compliance for clients through filings and engagement with CAC, NAFDAC, and the Intellectual Property Registry.
- Assisted in regulatory investigations by preparing documentation, attending meetings with enforcement units, and maintaining accurate records.
- Reviewed client information and documentation to ensure regulatory requirements were met before filings and submissions.
- Prepared detailed reports, legal opinions, and correspondence related to regulatory and compliance matters.
- Maintained organised records of compliance-related activities, filings, and regulatory communications.
- Acted as company secretary, and prepared accurate minutes of meetings while ensuring compliance by confirming quorum before each meeting commence.
- Worked with senior lawyers to identify regulatory risks and ensure clients' activities aligned with applicable laws.
- Familiar with the basic principles of AML, KYC, and customer due diligence through self-study and professional interest.
- Actively building competence in AML compliance with the goal of working directly on transaction monitoring and investigations.
